What is Safeguarding?

Safeguarding refers to the process of protecting children from harm and ensuring their well-being. It encompasses various measures to prevent abuse, promote their safety, and support their development. Safeguarding encompasses not only physical protection but also emotional and mental well-being.

Our Commitment to Safeguarding

Here at Romilly, we prioritise the safety and welfare of our pupils. We have a comprehensive safeguarding policy in place, which outlines the procedures and protocols we follow to ensure a safe and secure environment for all. Our staff members are regularly trained on safeguarding matters to ensure they are equipped to identify potential risks and take appropriate action.

Your Role as Parents

We believe that safeguarding is a shared responsibility between the school and parents. Your role in ensuring your child's safety is crucial. We encourage you to maintain open lines of communication with us and promptly inform the school of any concerns you may have regarding your child's well-being.

Thank you for your continued support as we work together to ensure the safety and well-being of all our pupils.
