Welcome Crescendo

Romilly Childcare

Romilly Childcare will open in November 2026, providing childcare support for parents while offering children the familiarity, security and continuity of being cared for within their nursery setting with trusted adults.

Our childcare provision will operate within our Nursery Classroom, following the Curriculum for Wales and building on the relationships, routines and learning experiences children already know. We aim to create an engaging environment that motivates, inspires and challenges children, while supporting them to develop essential life skills such as resilience, independence and confidence.

Above all, we want to provide a warm, welcoming environment where every child feels safe, happy, valued and nurtured. Through play, exploration and positive relationships, children will be encouraged to develop their skills, make choices, try new experiences and grow in confidence, while enjoying the comfort and familiarity of their nursery surroundings.

ACTIVITIES AVAILABLE

Early Numeracy & literacy activities

Storytelling and Music

Creative Play

Outdoor Play
